

ISO 27001 Information Security Foundations

Understand the information security management system and its controls, and build a realistic implementation plan.

Level	Foundation
Duration	2 days · 12 training hours
Fee	399 AED
Group size	6 - 20 participants
Delivery	In-house · Public run · Live virtual
Runs each year	3 May and 11 October

All training programmes are accredited by the Sharjah Private Education Authority.

Programme objectives

- Explain the ISMS structure and its requirements
- Run an information risk assessment and identify assets
- Select appropriate Annex A controls
- Prepare the statement of applicability

Who it is for

Information security officers, IT teams, quality coordinators and compliance officers.

Prerequisites: General familiarity with the organisation's information systems.

Programme outline

Day 1 — The system and the risk

- The CIA triad: confidentiality, integrity, availability
- The standard's structure and requirements
- Identifying and classifying information assets
- The risk assessment methodology

Day 2 — Controls and implementation

- Annex A controls and their domains
- Selecting controls and justifying exclusions
- The statement of applicability
- An implementation roadmap through to audit

Competencies developed

- Information risk management
- Asset classification
- Compliance
- Documentation

What participants take away

- An information asset register
- A risk assessment instrument
- A statement of applicability template
- A company-issued certificate of attendance

How it is assessed

An information risk assessment exercise on a real asset, selecting the appropriate controls.

About the company

Innovation Excellence Consulting & Training is a Sharjah-based firm working with government and private organisations across the UAE and the region. We deliver management consulting, excellence award readiness, customer experience, corporate innovation, ISO certification and research — alongside accredited, applied training programmes.

Programmes accredited by the Sharjah Private Education Authority · 3,500+ professionals trained · 40 government and private entities

Why train with us

- No less than 40% of every programme is exercises and case work, not lecturing.
- Programmes designed on the ADDIE model, with cases drawn from the participants' own workplace.
- Trainers with genuine field experience in the work they are teaching.
- Delivered in Arabic and English to the same standard — in-house, public or virtual.
