

ISO 56001 Innovation Management System

The standard's clauses and requirements, and how to build an innovation system an accredited body can certify.

Level	Advanced
Duration	3 days · 18 training hours
Fee	999 AED
Group size	5 - 16 participants
Delivery	In-house · Public run
Runs each year	10 May and 22 November

All training programmes are accredited by the Sharjah Private Education Authority.

Programme objectives

- Interpret the ISO 56001 clauses and tell them apart from the ISO 56002 guidance
- Run a structured gap analysis against the standard
- Build the documentation and policies an auditor asks for
- Prepare for the certification audit and handle non-conformities

Who it is for

Innovation managers, quality and management-system coordinators, and internal auditors assigned to the innovation system.

Prerequisites: Basic familiarity with management systems (any ISO standard) or experience in corporate innovation.

Programme outline

Day 1 — The standard and its context

- The 56000 family and how 56001 differs from 56002
- Organisational context and interested parties
- Leadership and the innovation policy
- Identifying risks and opportunities

Day 2 — Implementation and documentation

- Supporting the system: resources, competence, awareness
- The innovation processes: from opportunity to realised value
- Mandatory documents and records
- Gap-analysis workshop on a real clause

Day 3 — Evaluation and certification

- Performance measurement and the innovation indicators auditors accept
- Internal audit and management review
- Non-conformity and corrective action
- The certification route and choosing a body

Competencies developed

- | | |
|-------------------------------|---------------------|
| • Reading standards | • Gap analysis |
| • Institutional documentation | • Internal auditing |

What participants take away

- A ready clause-by-clause checklist
- Templates for the required policies and records
- A phased roadmap to certification
- An accredited certificate of attendance

How it is assessed

A closing exercise: a full gap analysis of one clause against your own organisation, with a closure plan.

About the company

Innovation Excellence Consulting & Training is a Sharjah-based firm working with government and private organisations across the UAE and the region. We deliver management consulting, excellence award readiness, customer experience, corporate innovation, ISO certification and research — alongside accredited, applied training programmes.

Programmes accredited by the Sharjah Private Education Authority · 3,500+ professionals trained · 40 government and private entities

Why train with us

- No less than 40% of every programme is exercises and case work, not lecturing.
- Programmes designed on the ADDIE model, with cases drawn from the participants' own workplace.
- Trainers with genuine field experience in the work they are teaching.
- Delivered in Arabic and English to the same standard — in-house, public or virtual.
