

Enterprise Risk Management (ISO 31000)

Build a living risk register that gets reviewed and used in decisions — not a table filled in once a year.

Level	Practitioner
Duration	3 days · 18 training hours
Fee	699 AED
Group size	6 - 20 participants
Delivery	In-house · Public run · Live virtual
Runs each year	28 June and 22 November

All training programmes are accredited by the Sharjah Private Education Authority.

Programme objectives

- Build a risk framework aligned to ISO 31000
- Identify and analyse risks qualitatively and quantitatively
- Define risk appetite and tolerance levels
- Select risk responses and track their effectiveness

Who it is for

Risk and compliance officers, department heads and risk committee members.

Prerequisites: None.

How it is assessed

A completed risk register for one department, with an assessment and response for each key risk.

About the company

Innovation Excellence Consulting & Training is a Sharjah-based firm working with government and private organisations across the UAE and the region. We deliver management consulting, excellence award readiness, customer experience, corporate innovation, ISO certification and research — alongside accredited, applied training programmes.

Programmes accredited by the Sharjah Private Education Authority · 3,500+ professionals trained · 40 government and private entities

Why train with us

- No less than 40% of every programme is exercises and case work, not lecturing.
- Programmes designed on the ADDIE model, with cases drawn from the participants' own workplace.
- Trainers with genuine field experience in the work they are teaching.
- Delivered in Arabic and English to the same standard — in-house, public or virtual.
